

INTERNATIONAL CONFERENCE ON BUILDING RESILIENT SUPPLY CHAINS

Department of Business Administration
East West University

18th-19th December, 2026

10:00am - 8:00pm

CALL FOR PAPERS

ABOUT THE CONFERENCE

The Conference on Building Resilient Supply Chains offers a vibrant forum for exploring how organizations can effectively anticipate, withstand, and recover from disruptions in today's volatile global landscape. The event brings together leading academics, industry experts, and policymakers to drive conversations on strategic risk management, sustainability, digital innovation, and transformative partnerships. Through cutting-edge research presentations and engaging discussions, the conference delivers practical insights and innovative strategies to build resilient supply chains, advance operational excellence, and ensure long-term competitiveness in interconnected global markets.

Papers and abstracts are invited under the following sub themes:

- Strategic Issues in Supply Chain Management
- Global Supply Chain Integration
- Industrial Application of Supply Chain Management
- Supply Chain Sustainability
- Circular Economy
- Supply Chain Digitization/AI application in Supply Chain Management
- Supply Chain Management and SDGs
- Geo Politics, Geo Economy and Supply Chain Management
- Supply Chain Finance
- Supply Chain Optimization
- Talent Management in Supply Chain Management
- Outsourcing Logistics Services
- Responsible and Ethical Supply Chain Management
- Building Adaptive and Risk-Intelligent Supply Chains

About East West University and Department of Business Administration

East West University (EWU), one of Bangladesh's leading private universities, is recognized for its commitment to academic excellence. With a strong emphasis on interdisciplinary learning and sustainability, EWU actively engages with pressing global challenges, including economic resilience and sustainable development.

The Department of Business Administration (BA) stands out as a center of excellence in business education, maintaining rigorous international standards. Its programs are accredited by the Accreditation Council for Business Schools and Programs (ACBSP) and the Association of Chartered Certified Accountants (ACCA), and are further recognized by leading national professional bodies, including the Institute of Chartered Accountants of Bangladesh (ICAB), the Institute of Cost and Management Accountants of Bangladesh (ICMAB), and the Institute of Chartered Secretaries of Bangladesh (ICSB).

Reflecting its focus on applied learning and industry relevance, the department offers a specialized major in Supply Chain Management as a core academic program. Through its engagement in research and collaboration in areas such as supply chain management, sustainability, and operational resilience, the department is uniquely positioned to host this conference and support meaningful scholarly exchange.

Extended Abstract Formatting Guideline

A structured abstract (maximum 500-750 words) including the following elements:

	Purpose	
	Design/Methodology	
	Findings	
	Theoretical Implications	
	Practical Implications	
	Key Words (Max 5 Words)	
	References (Max 4-5)	

Full Paper Formatting Guideline

Structure of the Manuscript

TITLE

The title should be concise, informative, and reflective of the main focus of the study.

imes

KEYWORDS

Provide up to five(5) relevant keywords that reflect the core themes of the study.

MAIN BODY

The main text should be organized into the following sections:

- Introduction
- Literature Review
- Methodology
- Results
- Discussion
- Conclusion

REFERENCES

All references must follow the APA 7th edition citation and referencing style.

Blakey, N., Guinea, S., & Saghafi, F. (2017). Transforming undergraduate nursing curriculum. *Journal of Nursing Education*, 40(2), 25–37.

COMMON PITFALLS TO AVOID

- **Failure to Follow the Template:** Manuscripts that do not adhere to the required formatting template may face desk rejection.
- **Plagiarism and High Similarity Index:** All submissions will undergo plagiarism screening using Turnitin. The similarity index must remain below 20%.

LAYOUT AND FORMATTING

- **Layout:** Manuscripts should be prepared in a single-spaced, one-column portrait format to ensure readability and consistency.
- **Length:** The recommended length of the manuscript is 6–8 pages (within 3000 to 4000 words), including references, tables, and figures.
- **Margins:** Standard margins should be applied as follows: Top: 2.54 cm, Bottom: 2.54 cm, Left: 3.18 cm, and Right: 3.18 cm.
- **Page Numbers:** All pages must include bottom-centered page numbering.
- **Manuscript Structure:** The paper should be organized into the following sections: Title, Structured Abstract, Keywords, Main Text, and References.
- **Figures and Tables:** All figures and tables must be high-resolution (e.g., .ai, .eps, .jpeg, .bmp, or .tif), sequentially numbered, and accompanied by clear, descriptive captions.

SUBMISSION REQUIREMENTS

- **Originality:** Submissions must represent original work and should not have been previously published.
- **Review Process:** Each submission will undergo a double-blind peer review process.
- **AI Policy:** Generative AI tools should not be used to produce manuscript content. However, such tools may be utilized for editing, proofreading, or improving grammar and structural clarity.
- **File Formats:** Manuscripts should be submitted in Word (.doc or .docx) or PDF format.
- **Conflict of Interest Declaration:** Authors must disclose any potential conflicts of interest at the time of submission.
